

SUMMER GETAWAY

Local waterfalls and creeks draw you to their banks for fishing and paddling. Fern gullies offer respite from the heat as do many of our rainforest walks. Marysville shops throw open their cafe doors to dining under our leafy elms. Such are magical moments in magnificent Marysville.

DAY TRIP

Morning stopover	Beat the heat and get up early. Breakfast along the way at Healesville, Yea or Alexandra or get in early to Marysville's cafes and bakeries.
Main activities	Pack a picnic or snacks at Marysville and head up into the cool alpine air of Lake Mountain to participate in mountain biking, walking or picnicking. For history buffs, take your picnic to the Cambarville Historic Township and walk the Cumberland Falls Trail. Or for something completely different, absorb the amazing world that is the Marysville Crystal Gardens and Ferguson Tractors or Bruno's Art and Sculpture Garden, Marysville.
Afternoon stopover	The Meeting of the Waters at Buxton is a local secret offering a shady picnic area. Great for paddling in before heading home. Pick up some fresh trout from the trout and salmon farms - one at Buxton, the other in Marysville.

TWO DAY TRIP

DAY 1

Morning stopover	Beat the heat and get up early. Breakfast along the way at Healesville, Yea or Alexandra or get in early to Marysville's cafes and bakeries.
Main activities	Pack a picnic or snacks at Marysville and head up into the cool alpine air of Lake Mountain to participate in mountain biking, walking or picnic. Or take one of these shorter walks, Tree Fern Gully Trail that leads to the Steavenson Falls Trail, or the short and shady Beauty Spot Trail - which offers a soundscape and is especially suitable for children.
Evening activity	Dining options include: eating in at your accommodation if meals are offered, collecting a takeaway pizza in town or dining at a cafe or restaurant in Marysville.

DAY 2

Morning stopover	Breakfast at your accommodation or stroll into town for something more indulgent.
Main activities	This is a day to indulge in the history of Marysville. Head to Cambarville Historic Township and walk the Cumberland Falls Trail. Or stay in town and visit the Marysville Historical Society (check opening times) and Bruno's Art and Sculpture Garden, Marysville. For something completely different, visit the amazing world that is the Marysville Crystal Gardens and Ferguson Tractors set in Marysville's last original guesthouse.
Afternoon stopover	Head to the Buxton Ridge Winery for a tasting or throw in a line at the trout and salmon farms - one on each of the north, south routes.
